

RESEARCH ROOM

The Research Room contains a computer with internet access, Wi-Fi, reference books, and maps of Germany. The focal point of the research room is a collection of digitized protestant church records listed below:

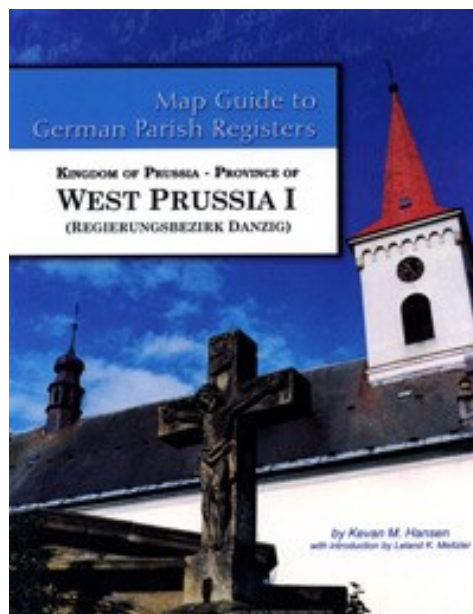

Bethany Evangelical Church
Carrollton Congregation
Carrollton Presbyterian Church
First Evangelical Church
Jackson Avenue Evangelical Church
Metairie Evangelical Church

Metairie Ridge Presbyterian Church
Reverend Kleinhagen Ministry Records
Salem Evangelical Church
St. John Evangelical Church
St. Mark Evangelical Church
St. Matthew Evangelical Church
St. Paul's Evangelical Church
Trinity Evangelical Church

The reference selves include books on Germany, Louisiana and the New Orleans Area. We are very proud of a collections of German Research Books called the ***Map Guide to German Parish Registers.***

This series stands currently at forty four and will reach fifty eight or more before it is complete. The GACC now has all 44 volumes of this collection. We do not know of anyone in this area that has this collection. These books show you by town where your ancestors may have gone to church if they were Catholic or where they may have gone to church if they were Lutheran. The following is a list of the volumes that we now have at the GACC:
